

May 5, 2020

Good afternoon everyone!

We now begin week 8 of the COVID-19 quarantine, we currently have no staff or residents with COVID here at Greenbrier. We are thankful for the employees who are being so careful and family members who support the restrictions we have put in place. Thank you to all that have supported the current situation.

Knowing that Mother's Day is this coming weekend we are working on some visitation guidelines. We are going to utilize the side patio. We will bring the resident out to the designated areas for a visit with family members standing on the sidewalk.

Here is what we propose:

Visitation will only occur from 9am-4-30pm.

You must register for your scheduled visit with at least 24-hour notice.

We will be scheduling visits in 30-minute increments throughout the day.

Please limit visitors to 5 or less. If you need special accommodations, please contact the ED (Christine Wright).

Please do not plan on coming to visit your loved one if you have any of the following symptoms: Cough, Sore throat, Temp above 99.1, nausea, GI upset, ETC.

Family members must stay in their designated area. We will bring residents outside one at a time for the visit and allow for privacy.

If you want to bring gifts or flowers for Mom, we will gladly transport them back to their rooms. We would ask that you leave them with the staff member that will be supervising all visits.

REMINDER:

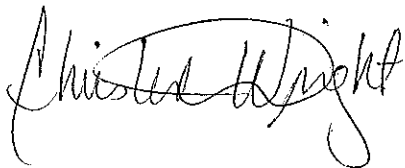

We will still be offering FaceTime and Face to Face through Facebook Messenger. We will be following the 24-hour notice prior to any appointments.

RoseWood Village has not lifted any restrictions at this time.

Please call us at 434-975-5079

Stay safe!

Christine Wright, Executive Director
