

July 26, 2021

Hello RoseWood Village At Greenbrier Residents, Families, and Team members!

I wanted to give everyone an update on RoseWood Village and the status related to COVID restrictions/precautions. We are looking forward to allowing visitors to participate with activities and dining.

- As a reminder, all visitors must be screened upon entrance and wear masks in the community. All team members must continue to be screened upon the start of their shift and must wear masks during their time in the community.
- Please continue to wear a mask when in common areas of our community. Masks can be removed once you are in your loved one's apartment if both you and your loved one are fully vaccinated.
- Vaccinated guests are now welcomed to join activities. If you plan to participate, you are required to wear your masks and practice social distancing.
- Visitors who are fully vaccinated may participate in communal dining with a 24-hour notice.

We appreciate everyone's patience and understanding as we continue to work with less COVID restrictions. Please know that we are available to answer any questions. Please be sure to stay informed by checking our webpage for updates.

Warm Regards,

Christine Wright  
Executive Director
