

September 16, 2021

Dear RoseWood Friends and Families,

In response to the results of our COVID 19 testing, performed on September 9th, 2021, the Virginia Department of Health recommended that RoseWood Village at Greenbrier have 2 weeks of consecutive retesting of all residents and staff to determine or confirm that there are no additional positive cases prior to resuming our reopening plan.

We are pleased to announce that our second round of testing that took place today, September 14<sup>th</sup> 2021, resulted in negative results for all residents and staff tested.

At this time, we have to keep our current restrictions and processes in place, including wearing masks at all times, screening residents and team members daily, restricting visitors and practicing social distancing. We feel keeping these essential measures in place will continue to keep our residents safe. We will resume communal dining, group activities, beauty shop services and visitors to the community on September 21<sup>st</sup>, 2021.

We are thankful for the continued support of our families and community during this time.

If you have any questions, we are here for you. Please call us at 434-975-5079.

Kind Regards,

Christine Wright

Executive Director, RoseWood Village at Greenbrier
