Dear Family and Friends of RoseWood Village:

RoseWood Village has supported the Walk to End Alzheimer's for many years. This fundraiser supports the Alzheimer's Association, a global organization working to advance care, support, and research across the world. This year, we will participate in the Charlottesville Walk to End Alzheimer's on October 22, 2022. We invite you to join us, either in person on the day of the Walk, or by making a tax-deductible donation to Team RoseWood Village.

This cause affects us, the Team at RoseWood Village, and many of you- personally. We care deeply about our residents and others who are living with brain changes, many of which are caused by Alzheimer's Disease or an Alzheimer's-type dementia. One in 3 seniors dies with a diagnosis of either Alzheimer's or another type of dementia. Between the years 2000 and 2019, deaths from Alzheimer's have more than doubled. Since more than 6 million Americans are living with Alzheimer's, this affects our daily lives in many ways.
